EXPRESS COIN AUTHENTICATION APPLICATION

EXPRESS AUTHENTICATION SERVICE: The INS Authentication Bureau will render its considered professional judgment regarding the authenticity of coins submitted, and will issue a numbered color photo-certificate to the owner for all coins found to be genuine. Rates are listed in the table at right. 96% of Express Service coins are mailed back within two working days of receipt.

GRADING: INSAB offers three grading services:

1. Regular Grading (\$5 per coin) available only with authentication. Both adjectival and numeric grades are provided.
2. In-Depth (I.D.) Grading (\$12 per coin) available only with authentication. This is a very thorough report on many characteristics of a coin, including patina, strike, wear, damage, cleaning and overall appeal.
3. Grading-Only (GO) Service (\$18 per coin) is available without authentication. If a coin's value exceeds \$1,000, GO fee becomes \$25. Values of all coins submitted must be stated for insurance, liability and mailing purposes. GO Service is comparable to the regular grading service, but no attempt is made to determine the coin's authenticity. If by chance it is noted while grading the coin that it is counterfeit or altered, the coin will be returned without grading and the fee will be retained as an authentication fee.

HOW TO SUBMIT COINS FOR EXPRESS AUTHENTICATION AND/OR GRADING:

1. Fill in and sign the application below. The value of each item must be stated to determine the authentication and/or grading fee for insurance coverage.
2. Wrap your coins securely, together with the application form; enclose a check or money order for the total amount due (payment must be enclosed with coins) and send via registered mail to INSAB, P.O. Box 66555, Washington, D.C. 20035.

DISCOUNT: A 10% discount is granted for both authentication and grading to all INS members. If you are a member, deduct the 10% from the standard fees listed and enter your membership number in the lower left corner, in the space provided. If you wish to become a member, INSAB will be happy to mail you the necessary application.

NOTE: INSAB cannot be responsible for opening or returning special holders, or removing items from unusual packaging. Do not send coins which cannot be removed from holders.

GRADING PRE-CERTIFIED COINS: INSAB will grade coins previously certified genuine by any recognized authentication service. Send the coins, with authentication papers, to INSAB with \$10 per coin PLUS return postage and registry funds. Coin will be returned with original certificate plus INSAB grading form.

PAPER MONEY AUTHENTICATION: U.S. Paper Money, including Continental and Colonial Currency, State and Broken Banknotes, is authenticated by INSAB for the same fee as for coins. Paper money grading is offered as well but only regular grading, and only with authentication. This form may be used.
